2. SERVICES & PAYMENT

Fiesta Flow agrees to provide professional DJ and event entertainment services for the event listed above, including music playback, professional sound equipment, microphones, announcements/MC services when needed, and music-related coordination throughout the event.

TOTAL AGREED PRICE

Payment. Payment is due on the day of the event unless otherwise agreed upon in writing. The agreed price will remain unchanged unless the Client and Fiesta Flow mutually agree to a change in services or price.

3. CANCELLATIONS & RESCHEDULING

Plans change. If the Client needs to cancel or reschedule, Fiesta Flow simply asks for as much notice as reasonably possible. There is no cancellation fee. If the event is rescheduled, Fiesta Flow will make reasonable efforts to accommodate the new date based on availability.

4. MUSIC, REQUESTS & EVENT FLOW

Your preferences come first. Fiesta Flow will use the Client's music selections, must-plays, do-not-plays and overall direction while also using professional judgment to read the room and maintain the energy and flow of the event.

Guest requests are welcome when appropriate. Fiesta Flow may decline requests that conflict with the Client's preferences, venue requirements, event appropriateness or the overall atmosphere of the event. Providing a playlist or request list does not necessarily mean every song will be played unless specific songs are identified as must-plays.

5. EVENT DETAILS & COMMUNICATION

The Client is responsible for providing important event details, timelines, special announcements, formalities, song selections and other necessary information with enough time for Fiesta Flow to prepare. For weddings, Fiesta Flow will be reasonably available to coordinate ceremony music, audio and event flow and may attend a rehearsal when previously arranged.

Last-minute changes will be accommodated whenever reasonably possible, but changes requiring additional preparation or services not previously discussed cannot be guaranteed.

FIESTA FLOW

DJ & EVENT SERVICES AGREEMENT

The important stuff, without the fine-print marathon.

6. VENUE ACCESS & SETUP

The Client is responsible for ensuring Fiesta Flow has reasonable access to the venue and designated performance area with enough time to safely load in, set up and test equipment before services begin. The performance area must be reasonably level, dry, accessible and free from unsafe conditions or obstructions. Appropriate electrical power must be available near the DJ setup.

The Client is responsible for communicating venue restrictions that may affect setup, sound levels, load-in/load-out or performance.

7. OUTDOOR EVENTS & WEATHER

For outdoor events, the DJ setup and equipment must be adequately protected from rain, moisture, excessive wind, direct weather exposure and other conditions that could damage equipment or create an unsafe environment. Fiesta Flow may delay, relocate, suspend or discontinue services if conditions create an unreasonable risk to guests, staff or equipment. **Safety comes before the playlist.**

8. SOUND LEVELS & VENUE RESTRICTIONS

Fiesta Flow will make reasonable efforts to provide an appropriate sound level while complying with venue requirements, local regulations and reasonable safety considerations. Fiesta Flow cannot override venue-imposed sound limits, curfews or other restrictions. Professional audio equipment can produce elevated sound levels; guests are responsible for determining their own comfort and proximity to speakers.

9. EQUIPMENT & GUEST RESPONSIBILITY

Professional DJ equipment requires speakers, stands, cables, electrical connections and other equipment within or around the performance area. Fiesta Flow will make reasonable efforts to maintain a safe and organized setup.

The Client accepts responsibility for damage to Fiesta Flow equipment caused by the Client, guests or other attendees through intentional acts, misuse, negligence or unauthorized handling. Reasonable repair or replacement costs may be charged when applicable.

10. PHOTOS, VIDEO & PROMOTION

Fiesta Flow may occasionally capture photographs or short video clips of its setup, dance floor or event atmosphere for portfolio, website or social-media purposes. The Client may opt out at any time by notifying Fiesta Flow.

☐ Fiesta Flow may capture and use event content. ☐ Please do not use content from my event for promotion.

11. UNEXPECTED CIRCUMSTANCES

Sometimes things happen that neither party can control. Fiesta Flow will not be responsible for delays or inability to perform caused by circumstances beyond reasonable control, including severe weather, power outages, venue restrictions, emergencies, unsafe conditions or similar unforeseen circumstances.

If an equipment or technical issue occurs during the event, Fiesta Flow will make reasonable efforts to troubleshoot the issue and restore service as quickly as reasonably possible. If Fiesta Flow becomes unable to perform because of a serious emergency, illness or other unavoidable circumstance, reasonable efforts will be made to help locate a qualified replacement. If a replacement cannot be secured, the Client will not be responsible for payment for services that were not provided.

12. AGREEMENT & SIGNATURES

This Agreement represents the understanding between Fiesta Flow and the Client regarding the services described above. Changes may be made when mutually agreed upon in writing, including by email or other written electronic communication.

By signing below, both parties confirm that they have read, understand and agree to these terms.
