

FIESTA FLOW

PHOTO BOOTH SERVICES AGREEMENT

Come as you are. Grab a prop. Make a memory.

Thanks for inviting Fiesta Flow to be part of your celebration. This agreement covers the important stuff so event day stays easy and fun.

1. CLIENT & EVENT INFORMATION

CLIENT NAME	PHONE
EMAIL	EVENT TYPE
EVENT DATE	VENUE
VENUE ADDRESS	
DAY-OF CONTACT	DAY-OF CONTACT PHONE
BOOTH START	BOOTH END
RENTAL HOURS	SETUP: INDOOR / OUTDOOR
BOOTH LOCATION / SPECIAL NOTES	

2. YOUR PHOTO BOOTH EXPERIENCE

You get the whole nine yards. Every Fiesta Flow photo booth rental includes unlimited photo booth sessions, unlimited on-site prints, a backdrop, custom photo template, prop collection, professional booth attendant, digital event gallery and instant digital sharing when a suitable internet connection is available.

If instant sharing is unavailable because of internet access or technical limitations, digital images will typically be delivered within 24-72 hours following the event.

TOTAL AGREED PRICE

Payment. Payment is due on the day of the event before photo booth service begins unless otherwise agreed upon in writing. The agreed price will remain unchanged unless the Client and Fiesta Flow mutually agree otherwise in writing.

3. CANCELLATIONS & RESCHEDULING

Plans change. If the Client needs to cancel or reschedule, Fiesta Flow simply asks for as much notice as reasonably possible. There is no cancellation fee. If the event is rescheduled, Fiesta Flow will make reasonable efforts to accommodate the new date

based on availability.

4. WHAT THE BOOTH NEEDS FROM YOU

- A minimum 10 ft x 10 ft setup area with at least 8 ft of overhead clearance.
- A standard 120V electrical outlet within approximately 20-25 feet of the booth.
- A reasonably level, dry, accessible and unobstructed setup area.
- Reasonable venue access with sufficient time before the event for setup and testing.
- Any venue approvals or permissions necessary for the booth setup.

Wireless internet is not required for the booth to operate, but reliable internet is recommended when guests would like to receive photos by text or email during the event.

Cable protection. Fiesta Flow will make reasonable efforts to safely route, secure and protect power and equipment cables within the booth area. The first approximately 20 feet of necessary cabling will be secured or protected when practical. Longer cable runs, high-traffic walkways or unusual venue layouts may require an alternate booth location or additional cable protection. Guests, vendors and venue staff should not move, disconnect, step on, tamper with or otherwise interfere with booth cables or equipment.

FIESTA FLOW

PHOTO BOOTH SERVICES AGREEMENT

We take care of the booth. You enjoy the party.

5. OUTDOOR EVENTS

Outdoor photo booths need a little extra love. The booth and equipment must be protected from rain, excessive wind, moisture and unsafe weather conditions. Shade or adequate cover should be provided whenever possible to help maintain photo quality and protect equipment.

Fiesta Flow may use a canopy or other available equipment when appropriate, but a canopy cannot guarantee protection from severe or rapidly changing weather. Fiesta Flow may delay, relocate, suspend or end booth operation if conditions create an unreasonable risk to guests, staff or equipment.

6. PHOTO & IMAGE QUALITY

Fiesta Flow will make reasonable efforts to provide consistent, high-quality photographs throughout the event. Lighting conditions can affect the final result, particularly outdoors. Direct sunlight, changing natural light, extreme backlighting and other environmental conditions may affect image quality.

Whenever possible, outdoor booth locations should be shaded or covered. Fiesta Flow may use supplemental lighting, a canopy or other available equipment to improve conditions, but identical image quality cannot be guaranteed in every environment.

7. DIGITAL SHARING & DELIVERY

When reliable internet access is available, guests may be able to receive images by text or email during the event. If instant sharing is unavailable because of internet connectivity or technical limitations, the booth can continue operating and digital images/event gallery will typically be delivered within 24-72 hours after the event.

8. EQUIPMENT & VENUE RESPONSIBILITY

The Client is responsible for providing safe and timely venue access and obtaining any necessary venue approvals. Once the booth has been completely set up, moving it may not be possible.

The Client accepts responsibility for damage caused by the Client, guests, vendors or attendees through intentional acts, misuse, negligence, food or beverage spills or physical abuse of equipment. Reasonable repair or replacement costs may be charged when applicable.

9. PROPS

Props are meant to be used, passed around and have fun with - that's why they're there. All props remain the property of Fiesta Flow. Missing, stolen or intentionally damaged props may be subject to a **\$35 replacement charge per item**, invoiced after the event when necessary. Normal wear and tear is expected and will not result in a charge.

10. CHILDREN & GUEST USE

Kids are absolutely welcome at the booth. The Fiesta Flow attendant will help guests use the booth, but the attendant is not responsible for supervising children. Parents or guardians are responsible for supervising younger children around equipment, cables, props and the booth area.

FIESTA FLOW

PHOTO BOOTH SERVICES AGREEMENT

A few final details, then we're ready to celebrate.

11. TECHNICAL DIFFICULTIES

Technology occasionally has a mind of its own. Fiesta Flow will make reasonable efforts to quickly resolve equipment or software issues that occur during an event.

Fiesta Flow is not responsible for interruptions caused by venue power failures, electrical problems, internet outages, venue restrictions, unsafe conditions, severe weather or circumstances outside reasonable control. If a significant Fiesta Flow equipment failure prevents booth operation for an extended period, Fiesta Flow will work with the Client on a reasonable solution based on the amount of service affected.

12. ADDITIONAL PHOTO BOOTH TIME

If the Client would like to keep the photo booth running beyond the originally agreed service time, additional time may be available depending on Fiesta Flow's schedule, venue requirements and event circumstances.

Additional photo booth service is **\$100 per additional hour** and must be approved by Fiesta Flow before the scheduled end time. Any additional time will be added to the final amount due or invoiced following the event.

13. PHOTOS & PROMOTIONAL USE

Fiesta Flow may occasionally use photographs or short video clips from an event to showcase the photo booth experience on its website, portfolio or social media. The Client may opt out at any time.

☐ Fiesta Flow may use event images/content for promotional purposes. ☐ Please keep images from my event private.

14. OUR COMMITMENT

Fiesta Flow is committed to providing a fun, professional and easy photo booth experience from setup to the last photo of the night. **We'll take care of the booth. You enjoy the party.**

15. AGREEMENT & SIGNATURES

By signing below, both parties confirm that they have read, understand and agree to the terms of this Photo Booth Services Agreement.
